The Seed That Bears Fruit in the Heart

On the Twenty-First Sunday after Pentecost, the Savior places before us the Parable of the Sower, one of the best-known and, at the same time, most personal parables of the Gospel. The sower scatters the same seed, yet the fruit is different because the soil upon which it falls is different. Christ Himself tells us that the seed is “the word of God,” while the soil is the human heart.

Sometimes our heart resembles the hardened path: we hear the word of God, but we do not allow it to enter deeply within us. At other times, we receive it with joy, like the seed that fell upon the rock, yet our faith does not have roots deep enough to withstand trials. At still other times, the cares, riches, and pleasures of life become thorns that slowly choke our spiritual life. But there is also the “good ground”: the heart that receives the word, keeps it, and “bears fruit with patience.”

Here we find the question that today’s Gospel addresses to each of us: **What kind of soil is my heart today?** It is not enough to hear the Gospel, to know the teaching of the Church, or to call ourselves Christians. The word of God must take root and become life within us. The Holy Apostle Paul expresses this transformation in the words: “I have been crucified with Christ; it is no longer I who live, but Christ lives in me.” Faith is not merely the acceptance of a truth about God, but the union of our life with Christ, so that He may work and bear fruit within us.

God continues to sow generously. He never ceases to speak to our hearts through the Gospel, through prayer, through the Divine Liturgy, and through the people He places in our path. The question is not whether the Sower is sowing, but whether we are preparing the soil of our hearts for Him.

Therefore, let us ask God for a pure, deep, and patient heart, in which the seed of His Word may grow, so that our lives may bear the fruits of faith, love, and good works.

Therefore, let us remain in Christ, place our trust in Him, and work together with Him!

Rev. Fr. Cezar Pelin

Sămânța care rodește în inimă

În Duminica a 21-a după Rusalii, Mântuitorul ne pune înaintea Pilda Semănătorului, una dintre cele mai cunoscute și, totodată, cele mai personale pilde ale Evangheliei. Semănătorul seamănă aceeași sămânță, dar rodul este diferit, pentru că diferit este pământul în care aceasta cade. Hristos Însuși ne spune că sămânța este „cuvântul lui Dumnezeu”, iar pământul este inima omului.

Uneori, inima noastră seamănă cu drumul bătătorit: auzim cuvântul lui Dumnezeu, dar nu-i îngăduim să pătrundă în noi. Alteori îl primim cu bucurie, asemenea seminței căzute pe piatră, însă credința noastră nu are rădăcini suficiente de adânci pentru a rezista încercărilor. Alteori, grijile, bogăția și plăcerile vieții devin spinii care înăbușă încet viața duhovnicească. Dar există și „pământul cel bun”: inima care primește cuvântul, îl păstrează și rodește „întru răbdare”.

Aici se află întrebarea pe care Evanghelia ne-o adresează fiecăruia: **Ce fel de pământ este astăzi inima mea?** Nu este suficient să auzim Evanghelia, să cunoaștem învățătura Bisericii sau să ne numim creștini. Cuvântul lui Dumnezeu trebuie să prindă rădăcini și să devină viață în noi. Sfântul Apostol Pavel exprimă această transformare prin cuvintele: „M-am răstignit împreună cu Hristos; și nu eu mai trăiesc, ci Hristos trăiește în mine.” Credința nu este numai acceptarea unui adevăr despre Dumnezeu, ci unirea vieții noastre cu Hristos, astfel încât El să lucreze și să rodească în noi.

Dumnezeu continuă să semene cu generozitate. El nu încetează să vorbească inimii noastre prin Evanghelie, prin rugăciune, prin Sfânta Liturghie și prin oamenii pe care îi așază în calea noastră. Întrebarea nu este dacă Semănătorul seamănă, ci dacă noi îi pregătim pământul inimii.

Să-I cerem lui Dumnezeu o inimă curată, adâncă și răbdătoare, în care sămânța Cuvântului Său să poată crește, pentru ca viața noastră să aducă rodul credinței, al iubirii și al faptelor bune.

Așadar, să stăm în Hristos, să avem încredere în El și să lucrăm împreună cu El!

Pr. Cezar Pelin

Snow Removal Company Needed

Our parish is currently looking for a **reliable snow removal company** to provide snow plowing and related winter services for our church premises during the upcoming winter season.

If any of our parishioners know or can recommend a dependable company providing these services, please contact our **Parish Secretary** with the company's information.

Thank you for your help and recommendations!

Căutăm o firmă pentru dezăpezire

Parohia noastră caută în prezent o **firmă de încredere pentru servicii de dezăpezire**, care să asigure curățarea zăpezii și serviciile necesare pe proprietatea bisericii în timpul sezonului de iarnă.

Dacă vreunul dintre enoriașii noștri cunoaște sau poate recomanda o firmă care oferă astfel de servicii, vă rugăm să contactați **Secretariatul Parohiei** și să ne transmiteți informațiile de contact ale acesteia.

Vă mulțumim pentru ajutor și recomandări!

A Word of Thanks

We extend our heartfelt gratitude to: Vasile Paunescu and Craig Raiba, who have generously offered their time, talents, and hard work, for painting our storage room's shelves.

We extend our heartfelt gratitude to: Alin Mihaila and Constantin Spoiala, who have generously offered their time, talents, and hard work, for renovating and painting our storage room in the Social Hall.

We extend our heartfelt gratitude to: Florica Cotrau and Mariana Miron, who have generously offered their time, talents, and hard work, for organizing our storage room in the Social Hall.

Every contribution, large or small, is helping us transform the Social Hall into a more welcoming, functional, and beautiful place for our parish community.

A Small Investment, a Beautiful Accomplishment

We are happy to share another improvement completed in our parish! With an investment of only **\$3,500**, the old tile flooring in the entrance lobby of our **Social Hall** has been replaced with new carpet, giving the space a warmer, cleaner, and more modern appearance while preserving the dignified and sober character appropriate to a church hall.

What makes this accomplishment especially meaningful is that it was achieved not through a large budget, but through **hard work, generosity, volunteering, and beautiful people willing to give their time and effort for our parish.**

Our sincere thanks to everyone who helped make this project possible - those who worked, volunteered, contributed, organized, and supported the effort in any way.

Little by little, and by working together, we continue to care for and beautify the place that belongs to all of us.

We invite you to continue supporting these improvement projects, so that together we may care for, renew, and beautify our parish facilities for the benefit of our entire community and future generations.

Please be advised of our parish expectations regarding children at the Divine Liturgy:

"If your kids are loud, please still come to Liturgy.

If you're running late because getting everyone dressed and out the door was a battle, please still come to Liturgy.

If your toddler won't sit still, please still come to Liturgy.

If your baby needs to eat, please still come to Liturgy.

If your child asks questions at the least convenient moment, please still come to Liturgy.

If someone cries, drops a toy, or has to make their third trip to the bathroom, please still come to Liturgy.

If your child doesn't know all the prayers, responses, or exactly when to sit or stand, please still come to Liturgy.

If you feel like you spent the entire Liturgy managing your children and heard approximately 12% of the homily, please still come to Liturgy.

If Sunday morning feels messy instead of peaceful, please still come to Liturgy.

If you're worried your children are distracting the people around you, please still come to Liturgy.

If your child has a disability or special needs, please still come to Liturgy.

Children do not learn how to be part of the Church by staying home until they can sit quietly. They learn by being here.

They learn the Sign of the Cross by watching us make it.

They learn the prayers by hearing us pray them.

They learn the Scriptures by hearing the Word of God proclaimed.

They learn reverence by watching us bow and make prostrations.

They learn that Christ is truly present in the Holy Eucharist by seeing the love and reverence with which we approach the Holy Chalice.

They learn that the Church is their home because we make room for them here.

The wiggles, whispers, crying babies, and little voices are not signs that children don't belong at Liturgy. They are signs that the Church is alive.

So bring the babies. Bring the toddlers. Bring the big kids. Sit where the little ones can see. Step out when you need to, but always come back in.

At Baptism and Chrismation, these children became full members of the Body of Christ. They belong here. They need the grace of the Holy Mysteries, the example of their parents, and the love and patience of their parish family.

Children are not simply the future of the Orthodox Church. They are part of the Church right now!" (Text preluat)

CARING FOR OUR CATHEDRAL

Current Maintenance & Improvement Projects

Our Cathedral and parish properties are a sacred inheritance entrusted to our care. Maintaining them responsibly requires continual attention - not only to preserve what previous generations have built, but also to ensure that our church facilities remain safe, functional, and welcoming for our parish family.

At the present time, several necessary maintenance projects require our attention. We would like to keep our parishioners informed about these needs and invite those who are able to help to consider supporting one of these projects.

PARISH HOUSE – NEW HEATING & AIR-CONDITIONING SYSTEM — \$12,000

The heating and air-conditioning system serving the upstairs of the Parish House is old and is currently leaking refrigerant (Freon). Because of the age and condition of the existing equipment, replacement is necessary. The estimated cost for a new heating and air-conditioning system is **\$12,000**.

CHURCH HEATING SYSTEM – PUMP REPLACEMENT — \$4,000

One of the pumps serving the heating system of the Cathedral needs to be replaced in order to ensure the proper and reliable operation of the system. **Estimated cost: \$4,000.**

PROPERTY-WIDE HEATING SYSTEM MAINTENANCE — \$2,000

Routine and preventive maintenance is needed for the heating systems throughout our parish property. This work will help ensure their proper operation and address potential problems before they become more serious and costly. **Estimated cost: \$2,000.**

TWO NEW FOOD WARMERS — \$3,000

Two new commercial food warmers are needed for our kitchen and parish events, replacing equipment that has become inadequate for our current needs. **Estimated cost: \$3,000.**

SOCIAL HALL KITCHEN – COOLER REPAIR — \$1,500

One of the coolers in the Social Hall Kitchen requires repair in order to restore it to proper working condition. **Estimated cost: \$1,500.**

GUTTER SEALING AROUND NEW CATCH BASINS — \$1,050

Sealing work is needed around the newly installed catch basins to ensure proper drainage and to prevent water infiltration and deterioration in the surrounding areas. **Estimated cost: \$1,050.**

TOTAL ESTIMATED COST: \$23,550

These projects are necessary for the proper care and continued use of our parish facilities. Parishioners who would like to contribute toward **one of these specific projects** may designate their donation accordingly. Contributions of any amount are welcome, and several families may also choose to contribute together toward the completion of a particular project.

We are grateful to everyone who supports the Cathedral through prayer, stewardship, generosity, and service. Through our common effort, we can continue to care faithfully for the spiritual home that has been entrusted to us.

What we have received from those before us, we are called to preserve faithfully and pass on to those who come after us.
